

WHEN IN MEDELLIN - BY PRIVATE CAR

3 Days/2 Nights FROM \$319 DAILY ARRIVALS

Shopping mall called Centro Comercial Palacio Nacional

MEDELLÍN has had a remarkable turnaround and is now one of the nation's most important cities in business, politics, fashion and nightlife. Known as the city of the never-ending springtime, Medellín is also the hometown of the artist Fernando Botero, whose oversized depictions of Colombian life, people and world issues are exhibited throughout the world. A donation of statues given by Botero himself is exhibited in one of the city's main squares. The city is also famous for its cable car, a remarkable piece of engineering, emblematic of how local government revived a previously underdeveloped part of the city.
