HIGHLIGHTS

Farm to table hands-on cooking class, followed by lunch

In the early morning you will visit 600 acres of farmland situated a few steps away from the cooking class location. Here, you will choose and harvest the freshest seasonal ingredients. Under the chef's guidance, you will learn how to choose and use the best seasonal products and cook a delicious meal. The farm visit will be followed by a three-hour hands-on cooking class. Enjoy your meal, accompanied by locally produced wine!

Palazzo to wine cellars tour, including wine tasting

This is a very special tour, combining Malta's foremost aristocratic palace with 400-year old wine cellars where Malta's premium wines are allowed to mature. Palazzo Parisio has been described as 'a miniature Versailles'. Its intricate interiors contain fine frescoes, magnificent marble works, mirrored walls, tromp l'oeil, rare paintings and extravagant gilding. The beautiful landscaped gardens, acclaimed as being among the finest in Europe, reflect the splendor of this gracious home. After the opulence of the palazzo, one of Malta's leading wineries welcomes you to its cellars where you will be given a detailed explanation of local wine making and invited to sample a selection of wines and local savories.
