

WHEN IN LISBON

LISBON, the capital city of Portugal, like Rome, lies on seven hills. Located near the Tagus River, it offers unparalleled vistas. The wealth of monuments, churches and museums along its tree-lined avenues will fascinate even the most casual student of history. Beautiful public gardens, squares with decorated pavements, and patterned tile walls form a pleasant vista of natural and artistic beauty as you tour the city. Stop in the superb shops, visit colorful markets and refresh yourself at one of the numerous sidewalk cafes.
