

# WHEN IN PARIS

---

Paris, the "City of Lights", is the capital of fashion, art, and people-watching; a city where Chanel-clad ladies walk poodles along grand boulevards; a place where the food is délicieux; a city where the nightlife is sublime...

Home of croissants and French baguettes, there is no end to the breathtaking sites you can see in Paris. The Louvre Museum, the Notre-Dame Cathedral, the Arc de Triomphe, the Palais-Royal, and the Elysee Palace are enough to make a library of travel books...but your love affair with this amazing city will truly begin once you look beyond the Eiffel Tower and start exploring the backstreets... that's when you'll make Paris your own!
