

WHEN IN IGUASSU FALLS - BY PRIVATE CAR

3 Days/2 Nights FROM \$659 DAILY ARRIVALS

The spectacular Iguassu Falls on the Brazil side

THE IGUASSU FALLS, 275 waterfalls of the Iguassu River straddling the jungle borders between Brazil and Argentina, are one of nature's most spectacular creations. A 2-hour flight connects Rio, Sao Paulo and Buenos Aires to the city of Iguassu and both sides of the Falls. The Brazilian side is farther from the tumblers but delivers a panorama and better view of the greatest section, Devil's Throat. Here, 14 falls combine in the 330-foot fall, pounding the water below with such force that there is a constantly rising huge rainbow-spanned cloud of spray. The Argentinian side, however, is more pleasant to explore, and offers such a close-up of the thundering water that most visitors wear waterproof raincoats. The Falls are shared by two Iguassu parks—the National Park in Brazil and the Nacional Park in Argentina—each has been designated a UNESCO World Heritage Site. You must visit both!

Travel In Style FROM \$659
