CRUISE PROGRAM
(7) Cruise

PROGRAM HIGHLIGHTS

• Travel to Greece on a voyage through history dedicated to the Golden Age of Greek civilization and beyond.

• Enjoy the splendid opportunity to visit off-the-beaten-path towns and ports including: Palaia Epidaurus, Nafplion, Mycenae, Gythion, Pylos, Olympia, Delphi, and more.

• Experience a lifetime moment as you cross the engineering feat that is the Corinth Canal, cut though solid rock in the 1880’s to join the Ionian Sea with the Aegean Sea.

• Learn about Byzantine Art and the history of each place to be visited with featured onboard lectures.

• Journey to coastal towns in the Peloponnese peninsula and trace the paths of classical antiquity and the Roman conquest, ending with the transition to the Christian empire of Byzantium.
DAY 1 | FRI | ATHENS | PALAIA EPIDAURUS Embarkation at Marina Zea in Athens between 2:00 and 3:00pm. Enjoy a welcome drink and meet your crew and fellow passengers. Sail for Palaia Epidaurus. Evening arrival and dinner on board. (D)

DAY 2 | SAT | PALAIA EPIDAURUS | NAFPLION Leave the ship early in the morning to drive to Ancient Epidaurus for an optional excursion. Epidaurus was known throughout the Greek world as a healing sanctuary. It was reputed to be the birthplace of Apollo’s son Asclepius - and for its theater, which is once again in use today. The sanctuary was looted by the Roman general Sulla by pirates and later by Goths in 395 A.D. and very little remains of it today. The prosperity brought by the Asclepieion enabled the residents of Epidaurus to construct civic monuments, including a huge theater (approximately 300 B.C.) renowned for its symmetry and beauty. Lunch on the ship and afternoon sailing to Nafplion. Overnight at port. (B,L,D)

DAY 3 | SUN | NAFPLION | MONEMVASIA After a short walking tour of Nafplion, drive through the colorful city and the beautiful countryside of Argolis towards Mycenae for an optional excursion. The importance of the city, which Homer called “rich in gold”, began in 1650 B.C and ceased around 1100 B.C with the fall of the civilization to which it gives name. Visit the remains of the ancient glorious city including the Lion’s Gate, the Palace, the so-called Agamemnon Tomb and the museum. Lunch on the ship and afternoon sailing to Monemvasia. Time at leisure to explore. Overnight sailing to Gythion. (B,L,D)

DAY 4 | MON | GYTHION Early morning arrival to Gythion. Optional excursion to Mani peninsula and Cape Tenaro plus the spectacular Diros Caves with their stalactites and stalagnites. Ancient Gythion was inhabited during prehistoric times and later the Spartans used it as a port. Leaving Gythion, cross the scenic Mani Peninsula to reach Diros and visit the spectacular caves, discovered around the 60s, and perhaps among the most important natural sites of Greece. After visiting the cave, drive to nearby Areopolis for a short stroll through the town. Mani is at the tip of the Peloponnese, a distinctive area unlike any other area in Greece. Overnight at sea to Pylos. (B,L,D)

DAY 5 | TUE | PYLOS Pylos is a picture-perfect seaside town on the southwest corner of the Peloponnese. In 1827, a fleet of Venetians and other city states defeated an Ottoman fleet in one of the most important naval battles in history. This defeat led to the independence of Greece, which occurred in 1829. During an optional excursion and after stopping to admire the scenery, continue up the road to Nestor’s Palace. The remains of the prehistoric Palace occupy a scenic hilltop setting north of Pylos. Highlights include the well-preserved royal apartments and a bathtub that archaeologists have speculated belonged to the old king himself. The palace, with its central courtyard, was originally two stories high and richly decorated with frescoes. Following, make the short trip to the town of Hora where a superb archaeological museum holds thousands of artifacts recovered from the site. Overnight sailing to Katakolon. (B,L,D)

DAY 6 | WED | KATAKOLON | ITEA Early morning arrival in Katakolon. Disembark the ship around 7:00am in the port town of Katakolon. Take an optional excursion by bus to Olympia, one of the most famous and important sites in the ancient world. Revered as the birthplace of the Olympic Games, it was also the greatest Pan-Hellenic sanctuary for the worship of Zeus. Olympia persisted well into Roman times until its demise in the 3rd century A.D. when fires, earthquakes and invading tribes from the north left the ancient site in ruins. The most thrilling site at Olympia is the stadium, which looks much like it did more than 2,000 years ago. You will also explore the Temple of Hera, the magnificent temple of Zeus the Philippeion – lodging place for the athletes who participated in the games. Following lunch, visit the museum of the History of the Olympic Games of Antiquity to view statuary and a host of artifacts specifically related to the ancient Olympic Games. After time at leisure, travel over land to Patras on the north coast of the peninsula to re-board the ship and depart for Itéa in the Gulf of Corinth. Overnight in Itéa. (B,L,D)

DAY 7 | THU | ITEA | ATHENS Morning optional excursion to Delphi, one of the most revered sites from the ancient world. Disembark the ship early this morning and proceed to the ruins complex. In its prime, Delphi was revered for its wealth and reputation, attributes which grew from the site’s location as hosting the most important oracle in the classical world. The oracle had the ability to prophesize the future and give advice. Visitors from across the Greek world traveled here to consult with the oracle, and responded by offering thanks in the form of treasure. Return to the ship and cross the Corinth Canal. Later in the evening, enjoy a Captain’s Farewell Dinner then sail to Marina Zea for overnight. (B,L,D)

DAY 8 | FRI | ATHENS Disembarkation after breakfast. (B)

DAY 3 | SAT | ATHENS This afternoon, transfer to Piraeus and embark on your cruise ship. (B, D)

DAY 4 | SUN | ISTANBUL This morning, get to know your ship as you cruise from Piraeus towards Istanbul, Turkey. Split between two continents, Europe and Asia, Istanbul is truly unique with its lavish Byzantine architecture and imperial mosques with sky-high minarets that make up the city’s skyline. (B, L, D)

DAY 5 | MON | ISTANBUL Today, you’ll set sail by private tender boat to glide over the jet blue waters of the Bosphorus. As you weave your way between traditional fishing boats and ferries, you’ll soon see the Orient and Occident emerging. Keep a lookout for the glamorous 19th century Dolmabahçe Palace and the former Ottoman palace of Çırağan, now a luxury hotel, on the European riverbank. On the Asian side, the summer residence of the sultans, Beylerbeyi Palace, as well as the Anatolian Castle medieval fortress and magnificent Kanlica Villa all soon come into view. Back on dry land, you can stretch your legs with a stroll around the labyrinthine Grand Bazaar. Here, try haggling for souvenirs, or simply browse the myriad of goods on offer. (B, L, D)

DAY 6 | TUE | ÇANAKKALE Cruising in through the Dardanelle strait, Çanakkale may sit at the narrowest part, but its history is one to broaden the mind. From the cruise ship, you can spot the wooden Trojan horse on the vast yacht-lined waterfront promenade. Time to relax or to take one of the optional excursions. (B, L, D)

DAY 7 | WED | VOLOS Welcome back to Greece! Tucked in below Mt. Pelion, land of the mythical centaurus, Volos embraces the Pagasetic Gulf to one side and the dramatic, mountainous Pelion Peninsula to the other. Time to relax or to take one of the optional excursions. (B, L, D)

DAY 8 | THU | CRETE Sailing into Heraklion port, the intimidating walls of Koules Fortress emerge from the sea to guard the ancient treasures found within the city. As you venture into the incredible open-air museum of the Palace of Knossos, the bus tour will take you along the proud Venetian heritage of Heraklion - the Koules Fortress (the stronghold overlooking the Heraklion harbor), the Venetian Loggia (the 17th century administrative and social center), the harmonious Morozini fountain and the 10th century Church of St. Titus. As you explore the Palace of Knossos, considered Europe’s oldest city, you are entering and experiencing the incredible world of the legendary Minoan civilization. (B, L, D)

DAY 9 | FRI | SANTORINI | MYKONOS Cruising towards Santorini is like being swept away on a current to somewhere truly magical. Your tour to Santorini’s jewel, the village of Oia, is a trip into the picture-perfect world of an island where romance and beauty reign supreme. Drive by the picturesque villages of Firostefani, Imerovigli, the “balcony to the Aegean”, and Megalochori surrounded by its famous vineyards. Continue with a panoramic drive by Santorini’s caldera which offers breathtaking views. Admire from afar the village of Fira, the capital of the island, as well as Thirassia, Palea Kameni and Nea Kameni - three of the five islands which form the cluster that surround Santorini. Arrive in Oia and walk through a beautiful labyrinth of shops, cafes, art galleries and hotels, harmoniously built in the unmistakable Cycladic style. Enjoy free time in one of the world’s best known and loved living postcards -- taking photos of the awe-inspiring scenery, shopping for fine jewelry or art, or simply relaxing and breathing in the beauty of Santorini. This afternoon, cruise towards Mykonos. (B, L, D)

Home of croissants and French baguettes, there is no end to the breathtaking sites you can see in Paris. The Louvre Museum, the Notre-Dame Cathedral, the Arc de Triomphe, the Palais-Royal, and the Elysee Palace are enough to make a library of travel books...but your love affair with this amazing city will truly begin once you look beyond the Eiffel Tower and start exploring the backstreets... that’s when you’ll make Paris your own!

• See Caravaggio’s masterpiece “The Beheading of St John” in St. John’s Cathedral
• Delve into Mdina, touring its cobblestone streets and walking around its well-preserved defensive walls
• Explore Vittoriosa and venture back in history with a visit to Hagar Qim Temples built over 7,000 years ago
• Marvel at the 5000+ year-old UNESCO-listed Ggantija Temples on the island of Gozo
DAY 2 SAT VALLETTA Today you will tour Valletta, Malta’s capital city and a World Heritage site. Throughout the years, Valletta has welcomed emperors, heads of state, artists and poets. The first stop will be at the Upper Barrakka Gardens, a beautiful public park whose terrace offers panoramic views of the Grand Harbor and the old towns of Vittoriosa, Senglea and Cospicua, also known as the “Three Cities”. Next, you will walk past Auberge de Castille, which houses the office of the Prime Minister, on your way to St John’s Co-Cathedral, the 16th century church built by the Knights of Malta housing Malta’s finest piece of art: The Beheading of St John by Caravaggio. This afternoon you will visit Mdina, once the capital city of Malta. Built on a plateau in the center of the island, Mdina has had many names including Melita (Roman Occupation), Medina (Arabic Occupation), Citta’ Nobile (Knights of St. John) and Citta’ Vecchia (after Valletta was built). Today it is also referred to as the “Silent City” since it inspires tranquility at any time of the day or night. (B)

DAY 3 SUN VALLETTA | VITTORIOSA | VALLETTA This morning, start the day with a tour of the town of Vittoriosa. Here, stroll with your guide through the quaint narrow streets, passing by the Church of St Lawrence, the Inquisitor’s Palace, and several palaces built during the time of the Knights. From Vittoriosa, you will venture further back in history with a visit to Hagar Qim Temples, a magnificent temple site built over 7000 years ago. Many artifacts of interest have been unearthed at Hagar Qim, notably a decorated pillar altar, two table-altars and the ‘fat lady’ statues, now on display in the National Museum of Archaeology in Valletta. The rest of the afternoon is at leisure. (B)

DAY 4 MON VALLETTA | GOZO | VALLETTA This morning you will travel by ferry to the second largest island of the Maltese archipelago, the island of Gozo. See the UNESCO-listed Ġgantija Temples. Dating back to between 3600 BC and 3200 BC, these two megalithic monuments are the oldest free-standing stone structures in the world, even older than Stonehenge and the Egyptian Pyramids. Next, continue on to Victoria, Gozo’s laid-back capital. In between sightseeing, you will stop at a local restaurant for lunch. Return to Malta in the late afternoon. Overnight at the hotel. (B,L)

DAY 5 TUE VALLETTA Full day at leisure for independent activities. (B)

DAY 6 WED VALLETTA TO USA (OR EXTEND YOUR STAY) Morning transfer to Malta International airport for your return flight home. (B)

• Get to know Guimarães, the first capital of Portugal that has preserved a medieval atmosphere in its core

• Give your taste buds a new experience, trying Vinho Verde (green wine) in Ponte de Lima
**DAY 1 | LISBON** Upon arrival into Lisbon’s Airport, you’ll be met by your English speaking driver and transferred to your hotel. This afternoon, embark on a panoramic tour of Lisbon where you will see: Jerónimos Monastery, the city’s most prominent monument; Torre de Belém, ex-libris of Lisbon and jewel of Manueline art; and the Monument to the Discoveries, built in honor of Henry the Navigator who was instrumental in the success of the Portuguese explorations during the 15th century’s Age of Discoveries. Admire Black Horse Square, Rossio, and Avenida da Liberdade before returning to your hotel.

**DAY 2 | LISBON | EVORA** After breakfast, head to Alentejo. It is here that Portugal’s climate finally escapes the Atlantic influence and the scenery changes to large, gently undulating plains. Aside from the many tourist attractions in the region, it is wine that is currently putting the Alentejo region on the map, and more specifically, its red wines. Continue to Evora, the capital of Alentejo Province. This museum-city, whose roots go back to Roman times, reached its golden age in the 15th century, when it became the residence of the Portuguese Kings. Its unique quality stands in the whitewashed houses decorated with azulejos and wrought-iron balconies dating from the 16th to the 18th century. Overnight in Evora. (B)

**DAY 3 | EVORA | OBIDOS | BATALHA | COIMBRA** After breakfast, head north to Coimbra. On our way, we stop in the charming village of Obidos and in Batalha for a visit of its imposing 14th century Monastery. Coimbra, known as Portugal’s most romantic city, was the inspiration for the song “April in Portugal.” On the weather-washed right bank of the muddy Mondego, this city of medieval churches is also the educational center of the country, and is at its best when the university is in session and the city radiates youthful energy. Overnight in Coimbra. (B)

**DAY 4 | COIMBRA | BAIRRADA AND DÃO | PORTO** After breakfast at the hotel, we drive to the fertile wine growing areas of Dão and Bairrada. In the western part of the Beiras, between the mountainous Dão region and the surf-washed Atlantic beaches, Bairrada has a mild, maritime climate with abundant rainfall. Although much of the Bairrada region is hilly, the majority of the vineyards are on flatter land. Continue to the Dão region. This area is a fine example of the changes that are driving the rapid improvement in Portuguese wines. Once home to mostly large cooperative wineries that churned out wine in masse, it’s now blossoming into a premier wine region with several small, quality minded producers. Overnight in Porto. (B)

**DAY 5 | PORTO** Start your day with an orientation tour of Porto, Portugal’s second largest city. Sitting pretty among the hilly landscape at the mouth of the Douro River, Porto welcomes visitors looking for history, culture and a good glass of port wine. Porto’s historic center is the Ribeira district, a UNESCO World Heritage Site. See its narrow, cobbled streets, pause for a cup of coffee and “pastel de nata” at one of many inviting cafes. Walk across the 19th century Ponte de Dom Luís Bridge to visit Porto’s other half - the port-soaked Vila Nova de Gaia. Here you can tour one of the many ancient port wine cellars, learn about the beverage’s history and sample some of the rich red liquid for yourself. Overnight in Porto. (B)

**DAY 6 | PORTO | DOURO VALLEY | PORTO** Today we drive to the Douro Valley, a UNESCO World Heritage Site. The valley is spectacularly beautiful with the hills falling steeply down to the water’s edge becoming more and more sparsely populated and wild the further inland one travels, with more of the land being given over to terraces of vines and, to a lesser extent, olive groves. This is port country and was, in fact, the world’s first demarcated wine region being established in 1756. Overnight in Porto. (B)

**DAY 7 | PORTO | MINHO PROVINCE | PORTO** Head to the province of Minho, a rolling province of lush river valleys, forested hillsides, trailing vines and long, sandy beaches, it is certainly pleasing to the eye, especially in the mountainous east where you can still see wooden wheeled ox-carts creak down cobbled lanes. Your first stop is in Guimarães, the first capital of Portugal that has preserved a medieval atmosphere in its core. Continue to Ponte de Lima, spread lazily along the tree-lined banks of the Lima River, it is named for the Roman Bridge with 27 arches spanning the water. This is also the area where the famous Vinho Verde (green wine) is produced. Overnight in Porto. (B)

**DAY 8 | PORTO TO USA (OR EXTEND YOUR STAY)** Today say “adeus” to Portugal or extend your stay. (B) (B) Breakfast

**INCLUDED FEATURES**
- Hotel accommodation for 7 nights
- Daily buffet breakfast
- Assistance of an English-speaking professional driver/escort for the entire length of the program

Surrounded by walls and towers, this small little town attracts visitors from all over the world. Thanks to the centuries-old tradition of stone processing, the Old Town was built in the 14th, 15th and 16th centuries to what it is now, by the most renowned masters of Gothic, Renaissance and Baroque styles. Korčula has a legendary past, deemed by many as Marco Polo’s birthplace, and before that, as home to one of the Homeric heroes. Return to Dubrovnik for overnight at hotel. (B)
